

ARIEL

design Piero Lissoni

Armchair with one-piece frame in double-panelled beech, poplar and pine. Support in coated rubber elastic straps. Padding in cold-expanded polyurethane foam and differentiated density polyurethane foam. Covering in 100% polyether thermally bonded onto a polyamide velveteen backing. Seat and loose cushion in prewashed and sterilized goose down stitched into separate compartments.

Legs in natural beech or, on request, with cherry-wood or walnut finish. Fabric or leather upholstery. The fabric version only is available with flounce 10cm from the floor and is fully removable by zippers and Velcro fastenings. The leather version is always without flounce and with non-removable upholstery. Seat depth: 50cm.
