

Finiture piano:

- Travertino stuccato e levigato, spessore 20 mm;
- Pierre Bleue, spessore 20 mm;
- marmo Grigio Orobico, spessore 20 mm;
- listellare di Light Wood, spessore 50 mm, impiallacciato in noce Canaletto tinto Light Brown, con bordo spessore 20 mm.

Solo i piani in marmo e pietra hanno un sottopiano in stratificato di MDF e alluminio, spessore 44 mm, al cui interno vi è annegato un telaio di metallo strutturale.

I piani in marmo e pietra (ad esclusione del 300x135 H74,5 cm) sono divisi in 2; il Travertino e il marmo Grigio Orobico prevedono la lavorazione a macchia aperta.

Il piano in Travertino viene sottoposto ad un trattamento antimacchia, che tuttavia non ne garantisce la totale protezione.

Gambe: in MDF con struttura interna in metallo, placcato con laminato e verniciato Bronzo patinato.

Piedini regolabili in metallo color bronzo patinato con scivolante protettivo in ABS.

Top finishes:

- Travertine, 20 mm thick, filled and smoothed;
 - Pierre Bleue, 20 mm thick;
 - Grigio Orobico marble, 20 mm thick;
 - Light Wood slats, 50 mm thick, Canaletto walnut veneer stained Light Brown, edge thickness 20 mm.
- The marble and stone tops only have an underpanel laminated MDF and aluminium, 44 mm thick, with a structural metal frame encased inside it.

The marble and stone tops (except the 300x135 H74,5 cm) are divided into two parts; the Travertine and Grigio Orobico marble tops are made with open book processing.

The travertine top is treated for stain resistance, but this does not ensure total protection.

Legs: in MDF with internal metal structure, clad in laminate, and varnished antique Bronze colour.

Adjustable metal feet in antique bronze colour with protective ABS glides.

Ausführungen Tischplatte:

- Travertin, Stärke 20 mm, vergipst und geschliffen;
- Pierre Bleue, Stärke 20 mm;
- Grigio Orobico Marmor, Stärke 20 mm;
- Tischlerplatte Lightwood, Stärke 50 mm, furniert mit Nussbaum Canaletto gebeizt Light Brown, Kante Stärke 20 mm.

Nur die Tischplatten aus Marmor und Stein haben eine Unterplatte aus MDF-Platte und Aluminium, Stärke 44 mm, in der sich ein Metallgestell befindet.

Die Tischplatten aus Marmor und Stein (mit Ausnahme des 300x135xH74,5 cm) sind zweigeteilt, nur die Tischplatten aus Travertin und Grigio Orobico Marmor sehen die Open-Book-Bearbeitung vor.

Die Tischplatte aus Travertin verfügt über eine Fleckenschutzbehandlung, die aber nicht für den totalen Schutz garantieren kann.

Beine: MDF mit interner Verstärkung aus Metall, beschichtet mit Laminat mit Lackierung in der Farbe Bronze patiniert.

Höhenverstellbare Metallfüße in der Farbe Bronze patiniert mit Schutzgleitern aus ABS.

Finitions plateau :

- Travertin rebouché et poli, 20 mm d'épaisseur ;
- Pierre Bleue, 20 mm d'épaisseur ;
- marbre Grigio Orobico, 20 mm d'épaisseur ;
- panneau latté de Light Wood plaqué noyer Canaletto teinté Light Brown, 50 mm d'épaisseur, avec bord 20 mm.

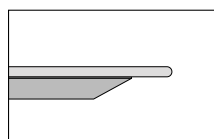

Les plateaux en marbre et pierre seulement ont un sous-plateau en MDF stratifié aluminium, 44 mm d'épaisseur, avec un cadre structurel interne en métal.

Les plateaux en marbre et pierre (à l'exception de 300x135 H74,5 cm) sont divisés en deux parties, le Travertin et le marbre Grigio Orobico peuvent être posés à livre ouvert.

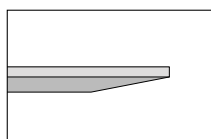

Le plateau en Travertin est soumis à un traitement antitache qui cependant ne garantit pas une protection totale.

Pieds : en MDF avec structure interne en métal, plaqué stratifié et peint couleur Bronze patiné.

Embout de pieds réglables en métal couleur bronze patiné avec patins glisseurs en ABS.
