

RENS
SOFA

ENGLISH

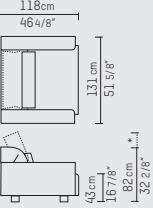

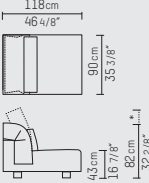

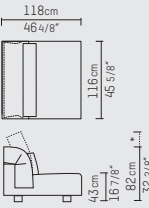

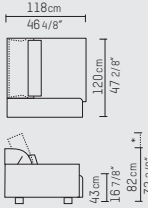

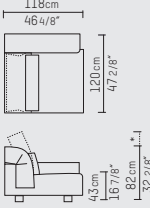

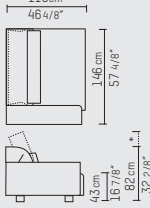

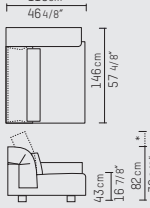

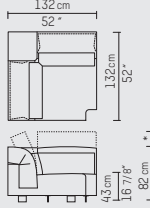

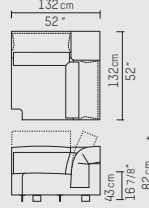

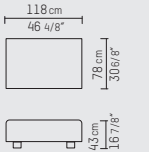

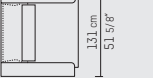

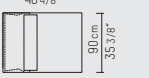

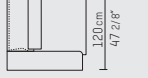

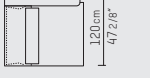

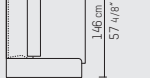

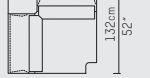

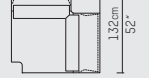

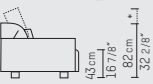

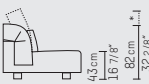

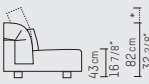

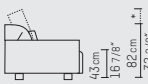

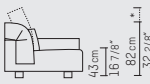

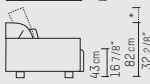

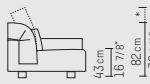

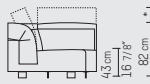

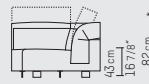

The RENS is the first Piet Boon sofa with a height adjustable back, offering ultimate comfort. Both elegant and functional, this modular sofa harmonizes any space or living room through its inviting and generous feel. The accompanying accessories consist of a set of several wooden side tables. Designed to be used as modules, buffer elements or central coffee tables.

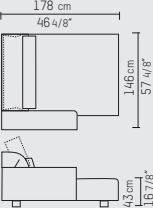

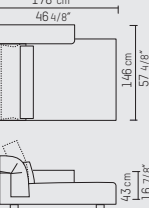

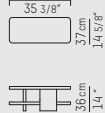

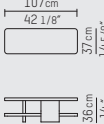

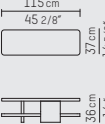

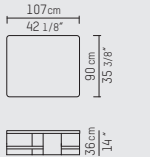

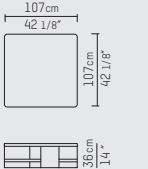

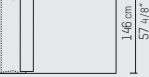

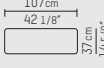

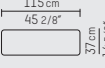

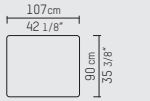

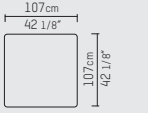

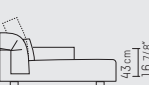

NEDERLANDS

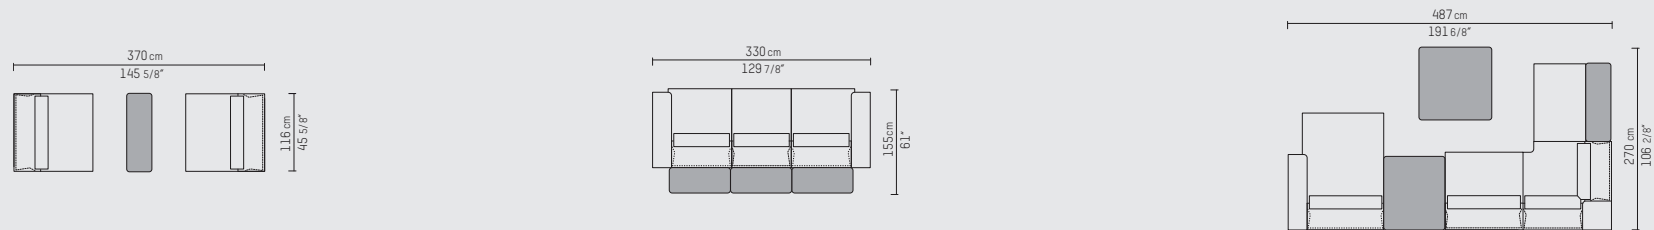

De RENS is de eerste Piet Boon sofa met een verstelbare rugleuning en biedt ultiem comfort. Deze modulaire sofa is elegant en functioneel en harmoniseert elke ruimte door zijn uitnodigende, royale uitstraling. De bijbehorende accessoires bestaan uit een set van meerdere houten bijzettafels. Ontworpen om te worden gebruikt als modules, tussenelementen of centrale salontafels.

DEUTSCH

RENS ist das erste Piet Boon Sofa mit einem Liegemechanismus, der ultimativen Komfort bietet. Dieses modulare Sofa ist sowohl elegant als auch funktional und wertet jeden Raum oder jedes Wohnzimmer mit seiner Harmonie und seiner einladenden und großzügigen Atmosphäre auf. Das Zubehör besteht aus einem Set aus mehreren hölzernen Beistelltischen. Es wurde konzipiert, um für Module, Pufferelemente oder zentrale Couchtische verwendet zu werden.
